Mantels with trumeau in stone

Provencal fireplace with trumeau in French limestone - Olivier / Blé Grand Modèle

This elegant Provençal fireplace with trumeau is hand-carved in the stone of Estaillades in our stone-cutting atelier in Provence. This traditional fireplace features a pair of shapely legs, a sober lintel, a trumeau made of paired stones and a large and nice molded cornice. Sold with its 10cm-thick surrounding base in stone.
