

Petite fireplace in carved natural limestone : Floral Louis XVI

This elegant fireplace of re-edition in carved natural limestone from Provence (the stone of Estailades) gets its inspiration from the classic French Louis XVI mantels. Hand-crafted in Provence, this petite fireplace features straight and fluted jambs ending in console, a rectangular lintel showing carved cartridges and a finely hand-sculpted half-rosette as well as 2 flowers, and a fine molded tablet.

Height 100 cm

Width 138 cm
