Limestone fireplace with trumeau and surrounding base : Provencal 150

Hand-carved in our atelier in Provence by our craftsmen, this typically Provençal fireplace with trumeau is crafted in the natural stone of Provence "Estaillades". It features slightly curved jambs, a simple lintel, a tablet with moldings, a geometric trumeau in dressed stone topped by an overhanging molded cornice. This fireplace rests on a 7-cm thick surrounding stone base.
