Gothic-inspired mantelpiece in carved Burgundian limestone

This exceptional mantelpiece in stone is an original creation by Atelier Alain Bidal, the reissue of a classic Gothic fireplace. It is carved in a natural limestone extracted from quarries in Burgundy, the stone of Massangis. It features finely worked bases, slender jambs with columns, a massive lintel with fine moldings topped by a large molded tablet. Hand-crafted in Provence.

Height	185 cm
Width	160 cm
Depth	115 cm

- Hearth opening : L 93 cm x H 145 cm

Price
9710 €
