Mantels with trumeau in stone

Louis XV mantelpiece with trumeau carved in French natural limestone

This beautiful fireplace carved in a natural limestone from Provence is sold with its over-mantel (= trumeau). This Louis XV mantelpiece in stone features a carved frame decorated with moldings, a finely molded cornice shaped like a cocked hat and topped by an horizontal top piece, a pair of jambs in console, and a wide sculpted molding surrounding the entire hearth. Hand-crafted in Provence.
