

Carved limestone fireplace, a reissue of a classic French Regency mantel

This beautiful French Regency fireplace is carved by hand in the stone of Estailades (a white limestone extracted in Provence). This mantelpiece in stone features a pair of shapely jambs with beautiful shell-shaped carvings at the top. The lintel is monolithic and presents finely hand-sculpted geometric shapes and is topped by a thin molded tablet. Hand-crafted in Provence.

Height 106 cm

Width 152 cm

Depth 63 cm

- Hearth opening : L 103 cm x H 76 cm

Price

6440 €
