

Louis XVth-style fireplace in a nicely patined natural limestone

This beautiful handcrafted fireplace in stone of Estailades (a natural white limestone from Provence) is carved and patinated by hand. It is a reedition inspired by the Louis 15th style (early 18th century). It has a pair of straight jambs with engravings on which sits a finely carved monolithic lintel. A fine hand-sculpted shell (typical of the Regency and Louis XV styles) can be seen in the middle of the lintel.
