Sinks in stone and Bathroom bowls in stone

Small shallow and rustic-looking sink carved in the white stone of Avy

This small and shallow rectangular sink is hand-crafted in Provence in a white and firm limestone extracted from our French quarries : the Avy stone. Smooth inside and on the top surface, its 4 exterior faces are brushed and bush-hammered for an irregular effect and a nice rustic appearance. The sink is already fitted with a draining hole. Ideal for a bathroom or kitchen.
