

Small shallow and rustic-looking sink carved in the white stone of Avy

This small and shallow rectangular sink is hand-crafted in Provence in a white and firm limestone extracted from our French quarries : the Avy stone. Smooth inside and on the top surface, it has its 4 exterior faces brushed and bush-hammered for an irregular effect and a nice rustic appearance. The sink presents already a draining hole. Ideal for a bathroom or kitchen.

Height 15 cm
Width 60 cm
Depth 40 cm
Weight 45 kg
