

**Provence garden wall fountain in frost-resistant natural limestone :  
Arlésienne**

This large garden wall fountain is hand-crafted in our stone cutting atelier in Provence and hand-carved in the stone of Avy, a frost resistant French natural limestone. This water fountain features a bottomless rectangular basin made of several stone elements hand sculpted with moldings and a slender pediment with hand-carved scrolls and a fine rounded capital. Sold with its wrought iron water spout.
