This charming small-size garden wall fountain is hand-carved in Provence in the stone of Avy (a French-extracted natural limestone that is frost resistant). It features a shallow basin with cut sides and a pediment decorated with a thin carved breastplate and fitted with a nice lion's head sculpted by hand as water outlet. Ideal for small spaces.

Height 120 cm

Width 110 cm

Depth 80 cm

Weight 500 kg

- Basin's height: 40 cm
