

Carved limestone wall fountain with hand-sculpted gargoyle

This charming medium-size wall fountain bears a nice rustic design. It is hand crafted in Provence in natural French-extracted limestone (the stone of Estailades or the stone of Avy). This garden fountain features a rectangular basin with thick molded copings and a stone pediment fitted with a large hand-sculpted gargoyle as water spout.

Height 110 cm
Width 120 cm
Depth 80 cm

- Basin's height : 40 cm

Price

2520 €
