

Provence central fountain in carved weathered limestone

This Provencal fountain handcrafted in our ateliers located in the heart of Provence is carved in the Estailades stone (a natural limestone extracted in our Provence quarries). It features a tall square basin resting on a massive thick stone and a square central column fitted with 2 metallic water spouts. Beautiful antic look and weathered patina.

Height 180 cm

Width 155 cm

Depth 155 cm

- Basin's height : 70 cm

Price

4680 €
