# Round garden fountain in natural stone sat on a wide circular base 

This charming decorative fountain is a beautiful central fountain carved in a natural French limestone (the stone of Avy). This garden fountain presents a circular base on which rests a round monolithic basin of 120 centimeters in diameter. The central column is cylindrical and is endowed by 3 wrought iron water spouts and a capital with ball on base.
Height 140 cm
Weight 730 kg
Diameter 180 cm
