Limestone fountains and basins

Small wall fountains in stone

Beautiful garden wall fountain in French limestone : Escargot GM

Hand-crafted in Provence, the wall fountain is carved in the stone of Avy (a firm and frost-resistant limestone). It features a monolithic rectangular basin and a narrow and slender pediment topped by a finely molded flat overhanging capital. The antique cast iron water spout shaped like a snail (= escargot in French) is sold separately (at 500 Euros).
