

Gothic-style stone fountain with semi-circular basin and lions' heads

This carved limestone wall fountain is a garden fountain hand-crafted by our stonemason in the stone of Provence "Estailades". This fountain features a rather tall semi-octagonal basin fitted with metallic bucket-rest bars. The cylindrical column is carved by hand and adorned with 2 lion's heads as water outlets. Beautiful natural patina.

Height 175 cm
Width 160 cm
Depth 102 cm

- Basin's height : 55 cm
