Large garden wall fountain carved in French natural stone : Florale Grand Modèle

This beautiful fountain carved in the "Avy" limestone (frost-resistant) is a garden wall fountain crafted in Provence featuring a large molded rectangular basin, large and flat rounded copings, and a finely hand-sculpted pediment decorated with side scrolls, a plastron and a nice floral decor underneath the wrought iron water spout.

Height	160 cm
Width	240 cm
Depth	80 cm

- Basin's height : 40 cm

Price
5330 €
