Limestone fountains and basins

Large wall fountains in stone

Large limestone wall fountain decorated with Renaissance ornaments - Creation Alain Bidal

This truly exceptional wall fountain is a large decorative garden fountain inspired by the Renaissance style. It has been very finely carved by hand and features in the center of the pediment a fauna's head as water spout. Hand-carved in the Estaillades stone in our atelier in Provence. Beautiful natural patina of time.

Height	190 cm
Width	250 cm
Depth	120 cm

- Basin's height : 50 cm

Price
13940 €
