

### Large wall-fountain hand-carved in natural limestone with cast-iron lions heads

This beautiful white stone fountain is a hand-crafted creation carved in the Avy stone (a firm natural French limestone that resists frost). It features a basin with large molded copings, a paired-stone pediment embellished with 2 cast-iron water outlets (lion's heads) and a pair of carved corbels. The overhanging cornice is nicely molded.

Height 150 cm  
Width 240 cm  
Depth 107 cm

- Basin's height : 50 cm
