

Garden wall fountain in carved limestone : Marquise GM

Decorative wall fountain hand-carved in the stone of Avy (firm and frost-resistant natural white limestone). Hand-crafted by our stonemasons in our stone-cutting atelier in Provence, this garden water fountain features a pediment rounded at the top, a finely hand-sculpted rosette in the middle and a rectangular basin made of dressed stone and topped by molded copings. Sold with a wrought iron water outlet.
