

Small central garden fountain with octagonal basin carved in natural stone

Small and elegant central fountain carved in French natural stone, the stone of Avy. This medium-size water fountain is made in our stone ateliers situated in Provence. It is a French artisanal handcrafted fountain. It has a central octagonal basin and a square column decorated with sculptures of chests, mouldings and rosettes. Its moulded capital is topped by a small ball in stone.

Height 165 cm

Width 160 cm

Depth 160 cm
