

**Elegant wall-fountain in natural stone :
monolith bowl resting on a sculpted
pedestal**

This slender wall fountain is made of the Avy stone (a frost resistant limestone). It has a molded rounded bowl resting on a massive foot decorated with sculpted grooves. The pediment shows a fine engraved plate and in its center, a hand-made sculpture of a rosace and a wrought iron water spout. This pediment is sublimated by a thin, flat and molded cornice.
