This hand-crafted in Provence garden fountain is carved in the white stone of Avy (a natural frost resistant limestone). It features a semi-circular molded basin, a beautiful tall and slender pediment adorned with a carved-in niche decorated with a hand-sculpted spitting fish (or dolphin) as water spout, fine scrolls on each side, and an elegant cornice with the sculpture of a shell in its center.

Height 215 cm

Width 160 cm

Depth 100 cm

- Basin's height: 65 cm
