

## **Large natural stone wall fountain with hand-carved rosette**

Beautiful and large wall fountain carved in the stone of Avy (a frost-resistant French natural limestone) : rectangular basin in paired stones and pediment decorated with an arched cornice, two fluted columns on the sides, a recessed breastplate and a wrought iron water outlet highlighted by a handmade sculpture in the shape of a rosette. Beautiful ocher patina.

Height 183 cm

Width 190 cm

Depth 95 cm

- Basin's height : 55 cm

Price  
**5330 €**
