This small garden water fountain is built to look like a water terminal. With a charmingly rustic look, it features a rectangular monolithic trough as basin and a rounded and narrow pediment. Hand-carved in the stone of Estaillades or in the stone of Avy, this water feature can be weathered and patinated to your liking. Sold with a water spout in forged wrought iron.

Height 117 cm

Width 48 cm

Depth 92 cm

- Basin's height: 35 cm
