Other ornamental elements in stone

Water font hand-carved in weathered limestone

This elegant holy water font is hand-carved in the Estaillades stone, a natural Provence-extracted limestone. The stone now bears a nice natural patina of time. This unique model, a beautiful decorative element for outdoors, was hand-crafted and hand-sculpted in our stone cutting workshop located in Provence.

Height	105 cm
Diameter	80 cm

Price
3480 €
