

### Small pedestal in patinated Provence limestone

This charming little rectangular plinth has been handcrafted in Estailades stone (a limestone extracted from our quarries in Provence). The stone bears a nice natural patina. This pedestal is composed of a thick molded base and of a central element with chamfered angles surmounted by a flat stone, ideal place for your decorative objects (vases, sculptures, etc.).

Height 70 cm

Width 40 cm

Depth 40 cm
